HEALTH & BEAUTY

Woo customers by being the always available service with personalized bookings and manage their wellness calendar

Be a part of the well being of clients by offering them hassle-free ways of making appointments and sending them anything from a diet plan to a fitness tip.

Get into the box

Share promotions, service flyers and web URLs with prospective customers via Textlocal SMS attachments and shortlinks. Use Textlocal to track clicks in real time and measure marketing reach and effectiveness.

Fill the gaps

Offer time-bound discounts for lean seasons using Textlocal mobile vouchers in SMS promotions. Textlocal will handle the end-to-end voucher creation, delivery and redemption.

Stay alert

Send automated reminders of appointments and other alerts using SMS APIs and organize your clients' wellness calendars. Easily integrate our powerful SMS APIs with any CRM or software in minutes using our comprehensive documentation and sample code snippets.
